Purchasing Agent

## Equipment Specifications

### *Physical Fitness Equipment Description*

The following specifications are for Physical Fitness Equipment at ten locations. Pricing should include shipping/freight and handling charges. Although we are asking for several pieces of equipment, this equipment will be located in ten separate schools. It is a requirement of this RFP that any vendor completing the bid process will price equipment for individual schools and should also provide a group price. Pricing should be individually listed and a group price should also be listed. All pricing should include all necessary installation, cables, cords, shipping/freight, warranties, discounts and handling fees.

The facilities included are Nemaha Valley High School, Seneca Grade School, Bern Schools (K-12), Centralia Schools (K-12), Marysville Jr./Sr. High School, Marysville Elementary, Valley Heights Jr./Sr. High School, Axtell Jr./Sr. High School, Summerfield Elementary and Frankfort Schools (K-12). The Physical Fitness Equipment that will be purchased is through a grant received by five school districts. These schools have expectations to have the best equipment they can get, and have no claim to any examples given in this RFP, so please feel free to explain in detail any piece of equipment you feel is better and explain why it is better. The examples given are just that, examples.

**All bids must be sealed and sent to the School-Business Educational Consortium by 5:00 p.m. (CST) on January 22, 2010 at P.O. Box 206, Frankfort, KS 66427 or hand delivered to the School-Business Educational Consortium at 119 N. Kansas Ave., 66427.**

**Please detail all information to be as specific as possible.**

**Please list all hidden expenses even if not requested in the bid. We do not want any surprises and we would like the best quality.**

For all the following equipment please list: product number, model, brand name, specifications, options available, peripherals required to make the unit work, quantity, warranty, bid, and shipping/freight/handling/delivery charges.

**Please Apply all discounts related to PE4Life Academy Vendor Preferred Discounts, PEP Grant discounts and U.S. Communities Partnership Discounts. If you provide a list of all your discounts then we will also provide this to the school districts so they will know the discounts when ordering from you in the near future for the rest of their smaller equipment purchases.**

**You May Bid on Any or All Parts of this RFP**

**Please fill in the blank spaces in the RFP text for group pricing and then please review each individual schools requests and provide individual prices for each school on those forms because we need all items shipped directly to the schools when possible. The school addresses are on each one of the individual forms so please keep that in mind when bidding shipping expenses. If supporting documentation is needed please attach supporting documentation including pictures if necessary.**
